

For Teachers and Students

Piano Masterclass with Richard Morphey

A piano masterclass for students from Grade 6 to Associate will be conducted by well known examiner, teacher, adjudicator, university lecturer:
Richard Morphey

This will be a wonderful opportunity to have a professional assessment of your student's performance and to hear other students performing along with their assessments. Students and teachers are strongly encouraged to attend the entire session.

Grades 6 and 7 will be given 20 minutes, and Grade 8 and above will be given 30 minutes. So that each student can have the benefit of an intensive one-on-one session **please note that places are strictly limited and will be on a first-come, first-served basis.** Please contact the office **initially by phone or email as soon as possible** to ensure a place in the session. It is likely that there will be time for only one piece to be played

Two copies of the music to be performed must be brought to the session.

Once the timetable has been finalised members will be contacted by email broadcast [EMTA] with a list of the pieces to be played.
